Cover Letter Adult Teachers Questionnaire

March 14, 1994

Dear adult education teacher

The purpose of this questionnaire is to collect information to develop a teacher education curriculum in adult education. This curriculum will be offered at the Inter American University, Ponce Campus.

I am requesting your cooperation for the development of this curriculum which will be of great benefit to the teachers of adult students in the Ponce region. This will be the first time a curriculum for the preparation of adult education teachers is offered in the Ponce region. The curriculum will consist of eighteen credits that you can complete in approximately two years.

Please return the questionnaire and the answer sheet to your school director no later than March 21, 1994. Your collaboration will be highly appreciated.

Cordially yours

Alberto Rodríguez, Professor
Inter American University, Ponce Campus
