APPENDIX E

Perception Toward Computers

Instructions: Read carefully and place a mark (X) in the position where every adjective describes better your opinion about the use of computers.

Example: To learn to drive a car is:

<table>
<thead>
<tr>
<th>difficult</th>
<th>-3</th>
<th>-2</th>
<th>-1</th>
<th>0</th>
<th>+1</th>
<th>+2</th>
<th>+3</th>
<th>easy</th>
</tr>
</thead>
</table>

I consider that computers as working tools are:

- useless
- ineffective
- unnecessary
- uneasy
- difficult
- unpleasant
- boring
- tedious
- powerless
- useful
- effective
- necessary
- easy
- simple
- pleasant
- amusing
- interesting
- powerful
