Dear Sirs:

I am a doctoral student at the Interamerican University of Puerto Rico. I would like to request your permission to use The Watson-Glaser Critical Thinking Appraisal (CTA) for my doctoral dissertation which deals with the evaluation of the critical thinking skills of undergraduate students.

The test has already been translated into Spanish and validated at the University of Puerto Rico by Professor Honora Serrano, Director of the Biological Sciences Department at the Rio Piedras Campus. Mrs. Serrano has been very cooperative with my research and recommends that I get your authorization to use the Spanish version.

I would greatly appreciate your cooperation in this matter.

Very truly yours,

Lamberto Vera Vélez
